- @ewinsberg

I am a philosopher of science who works on climate science, simulation modeling, and the philosophy of physics.

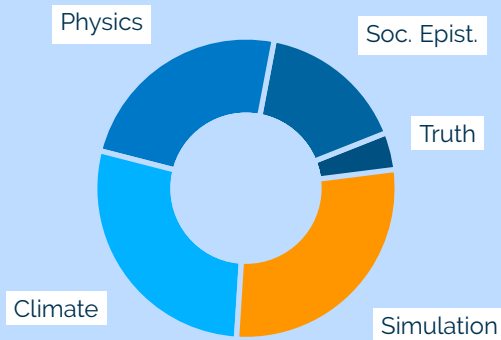

Indiana University

And I am looking for exciting interdisciplinary projects worldwide.

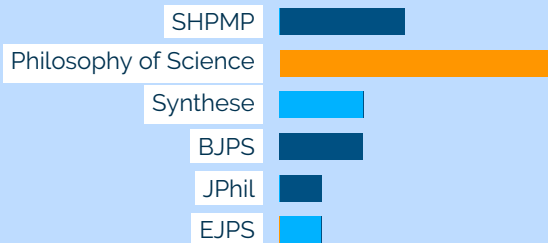

## AREAS OF RESEARCH

I work primarily in Philosophy of Climate Science, Simulation, and Philosophy of Physics

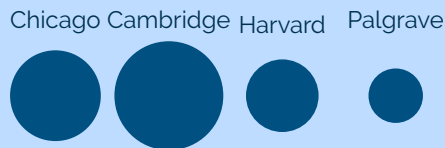

## LANGUAGES

- English (native)
- French (fluent)
- German (B1)

I've published in most of the main philosophy of Science Journals

I've worked or am working with a number of book publishers.

## ACTIVITIES

Paddle Boarding

When I'm not teaching or working on research, I'm either paddleboarding, weight training, or convincing my dog that "no take, just throw!" is not a coherent desire.

- Music
- Lifting
- SUP
- Dog

## EXPERIENCE AND EDUCATION
